GOOD DESIGN Selection

Stormtech
Planning Considerations.

Following are common considerations when planning your Stormtech drainage installation. **Talk to us about any specific project needs.**

☑ **Grate style and finish**
See grate designs and finishes below

☑ **Grate width required**
100mm | 65mm | Custom

☑ **Channel depth and material**
20mm | 40mm (100mm Wide Grates)
25mm | 40mm (65mm Wide Grates)

☑ **Custom sizes available**

☑ **Drainage length required**
Custom or standard length kits.

☑ **Outlet size and position**
Standard DN size

☑ **Tile Thickness**
For Tile Insert installations only

☑ **Optional Flange**
Wall and floor flange options available.

Grate Styles   Choose a Stormtech designer grate style.
